You can help the Kirkwood Historical Society by giving of your time, talent and treasure. Docents volunteer three hours a month greeting and interacting with visitors to Mudd's Grove, or if you have a "Green thumb" you may wish to consider helping with the grounds and gardens. Helping to maintain Mudd's Grove is another way you can. There is always a need for extra help with our special events such as the "Strawberry festival" held each May and the "Green Tree Festival" in September. If you have a penchant for decorating we invite you to help decorate Mudd's Grove for the holiday season. Finally you may wish to consider a contribution or donation to the society in memory or honor of a loved one or friend. For additional information please visit us on the web at www.kirkwoodhistoricalsociety.com. You can also find us on Facebook. Call us at: 314-965-55151.

SHINING STARS

Congratulations are extended to KHS member Betty Hudgins for her star performance in the new YouTube Video on Mudd's grove. Betty did an excellent job conducting the tour. It was filmed in November 2017 and then again during the Candlelight Tour of Mudd's Grove. If you have access to YouTube you can find the video here: <https://www.youtube.com/watch?v=4WA7hXktzNM> or search on youtube for Mudd's grove. It is 22 minutes in length and well worth the watch. Thank you Betty for the great job you did.
